“ Uncle Charlie, I will miss you in so many ways. I could always count on that sly smile and calm demeanor you had that threw me off my guard. I can't ever remember a cross moment with you. I know over the years there were many years we did not see or talk with one another; however, whenever we came together, it was always my pleasure to chat with you and glean off your talks of the past. I look forward to your greeting in the eternal. Give our Lord a hug from me! So happy to be of your acquaintance, sir! Your nephew, Dennis Jenkins
