

Thelma Margaret Whitaker

January 5, 1927 - April 30, 2020

On April 30, 2020 God looked around for some help. He needed a special type of woman. He looked for a virtuous woman. He chose Thelma M. Whitaker, and presented her with wings.

Thelma was born on January 5, 1927 to the late George and Etta White of Charlottesville, Va. Life wasn't easy for Thelma. By the age of 12 yrs old she had lost both parents. She was raised by her stepmother, who constantly put her down. She was determined to be somebody. She finished Jefferson High School at age 16. She was determined to be a nurse. She wanted to serve others. She attended Dixie Nursing (Hampton University). She became a registered nurse. She worked for Dr. Ashby, Whitaker Memorial Hospital, Mary Immaculate Hospital, and MacDonald Army Hospital, Ft. Eustis, Va. By 32 she became the 1st African-American civilian supervisor. She worked nights, therefore she was 'in-charge'. She took her job seriously. She traveled 30 mins daily, to work and back. She never took days off. She retired in 1985 with 18 months worth of sick leave.

Thelma was an avid reader, and an exceptional writer. She had a thirst for learning new things. You could find her , working, puzzles or reading Taylor Caldwell or Jackee Collins novel. She enjoyed, water activities enough she couldn't swim, riding motorcycles, and good conversation.

In 1953, while walking across the street, she met the love of her life, Mr. Eunique "Nic" Whitaker. After year of dating, they got married in June 16, 1954. A new adventure began. In this union she had 2 children, Roger Carlton (deceased) and Lisa Karen Whitaker Taylor. Her life was full, but at age 64 it changed. For her birthday that year she got a grand baby. She bought joy to her life. They were 2 peas in a pod.

Thelma was a member of the following: Hampton University Nurses Alumni Association, Chi Eta Phi nursing sorority, Eastern Star Rose Chapter, Orcutt Homes Senior Citizens, Macedonia Senior Citizens, Macedonia Deaconess Board, Area Council, and Newport News Retired Policeman's Wives. She was a loyal and faithful member of Macedonia Baptist Church. Church was important to Thelma. She learned early to love the Lord.

“ I first met Mrs. Whitaker at Macedonia Baptist Church on Ivy Avenue in Newport News.
She and her husband were always quite active in the Church. During those years, I met numerous people, yet, I did not knowing meet Roger and Lisa. I believed that they were basically "grown and gone from the nest" and building their respective nests.
Of the several times I had visited the Whitakers, I learned more about some things that some of us locals took for granted.
When I was last able to visit Mrs. Whitaker, she was no longer living on 34th Street and had moved to the upper Hilton area. We had a long talk.
Mrs. Whitaker will be missed as much as Mr. Whitaker.
Unfortunately, I learned of her passing just now.

“ To my dear friend Lisa and Pooh, it is with great sorrow to learn of the transitioning of your Mom and Grandmom! From all that I'd heard about Mrs. Thelma she was indeed a strong woman that contributed to making her community better, a good leader, and role model of the type of woman to aspire. Your Mom faught long and hard, no more pain or anguish now. I know this is a difficult time yet as I have walked this same path, take comfort in knowing that the sorrow and difficulty your experiencing now will eventually over time ease and get better. Know that I am here when/if you need me even if it's just to listen as you vent. I will be praying for and thinking of you on Saturday as I too will be experiencing the same process of my beloved brother. May the PEACE OF GOD be with both our families.
Much Love...Josephine
