“ *To the family, you all have my heartfelt condolences. I had the pleasure of having AJ in class during his elementary school days..He was a sweet and mannerable student which remained the same as a young man. Whenever he saw me in town and in passing he would always speak and exemplify those same manners. To the family I pray that God will wrap his loving arms around each of you and give you comfort in knowing that AJ is resting in God's Heavenly arms.*
