“ *I am so sorry to hear about the passing of Dr. Flood. He was the best dermatologist I've ever had the privilege of visiting. I became his patient over 40 years ago when he was practicing with Group Health in Marlow Heights, Maryland. His treatment of my issue was very unique, efficacious and helpful. He was so down to earth and approachable. He will surely be missed. Please accept my prayerful condolences. Prayerfully, Mary Wright*

“ I was very sad to learn of the passing on my classmate, Allen. We grew up together in school, church and in the community. He was a good friend during our school years and even attended our Junior prom together, not as girlfriend- boy friend, but as good friends. He was one of a kind. He made the world a better place. RIP old friend.
