“ I truly miss her weekly calls. She was a wonderful prayer warrior. I can't believe she is gone. She is now absent from the body and present with the Lord. I still have a couple of her prayers on my voicemail from missed calls. She was so faithful in calling and praying. Love you forever Brenda. See you again in heaven. 😭

“ To the family of Miss Brenda, on behalf of my entire family and my extended family I extend our most heartfelt sympathies in the passing of a dear dear lady and God fearing and loving woman. I never met Miss Brenda face to face but I, along with my daughters, their families and my son and his family were the recipient of her many prayers of strength, of peace, of healing, calling each of us by name each time she offered a prayer up to our Heavenly Father on our behalf. Miss Brenda was a godsend to our community. Her daily prayers for my family and I am sure others were so appreciated and we are humbled to have had her in our lives. Family and Friends, may you know she was an example each of us should try to emanate; May we learn from her dedication to God and her strong belief in prayer and do as she did, pray for all. God Bless you Miss Brenda. Rest In Peace, your work here on this earth is done....

“ *Brenda was my prayer partner for over 20 years. I looked forward to my daily 5:30/6 a.m. call. I know she's so very happy in heaven being able to see again and gaze into the face of Jesus the one who died for us all. The human side of me is so very sad and I've been in tears since I learned of her departure but I know to be absent from the body is to be present with the Lord. I love you Brenda and will see you when I get there. Thanks for all your prayers.*
