“ *Cora Lee Walker was one of the most professional persons that I have ever encountered. Her demeanor was excellent. She was such a great example of nursing leadership.*

“ *To Katina & Chloe: My heart aches for you because I know how much Ms. Cora Lee meant to you and how special she has always been to you. You loved her so much and she loved you. I know you are already missing her. As you are, remember the good times you had together, the love you shared, the hurdles of life that she helped you through, and the list goes on and on. She will live in your hearts forever. I love you.*

“ To the Walker family: I am so sorry about the passing of Ms. Cora Lee. I didn't know her personally, but my mother (the late Janie Gary) adored her (and the rest of you) and she loved to hear you all sing. It's hard losing the ones we love, but we know GOD has ALL the answers. We are HIS children and HE decides when HE wants us back. I know your faith is strong and that you will continue leaning on it every day. The love you all share as a family has always been so visible and so remarkable. What a blessing! You all have been supportive to many others and have been such a blessing to many people. I wii be thinking of you in days and months to come. Rest in peace Ms. Cora Lee.
