“ *Sending you love and light in honor of your dear matriarch on behalf of the Weems family. Remembering Cynthia Beard Grady as the dear friend of my grandmother Alease V. Weems and as the kind woman who was always so nice to me. Also sending love to DeVere, my dear elementary/middle school friend. The tree from Christina S. is from me. May you plant it in good soil just as she planted you in this world - in good soil. Praying you through now and always. - Christina Royster SMS '85.*
