“ *Uncle Elmo will be missed by us all. Thank you for the moments that we shared, I appreciate them all. You will be most remembered for your kindness, friendliness, generosity, and your love for family. You would give anyone the shirt off of your back. I remember all the places and experiences that I had with you, Rashida, and Aunt Reese. I will never forget our trips and all the good times we had. Thank you for being a good uncle to us all (including Angela). Rest easy and rest in power. We will love you forever.*
