“ *My condolences to EJ family. I was married to him and I can still see that twinkle in his eyes. We first met while stationed in Germany. We had our only child Tomasine Jordan. EJ loved to have fun. Family live your life take care. Peace and love Janie*

“ *My Forever Friend*

*An eight years friendship has come to end,
You see, Mike was my forever friend.
McDonald's was our favorite spot,
There, the topics were always hot.*

*I never saw his death coming,
I was looking forward to us reuniting.
When we last spoke on Saturday, I wished him well,
Not knowing that would've been our final bell.*

*He was a funny guy to be around,
His jokes always left me with laughter, never a frown.
He always told stories with a blast from his past,
He's left me with many fond memories that'll forever last.*

*He fought a courageous health battle,
To give in, he was never one to settle.
He was a guy who never steadily complained,
His face never expressed an ounce of pain.*

*I'm hurting now but my pain won't last forever,
It was all in God's plan that he no longer suffer.
He's gone from my sight but never my heart,
Like a big brother, he always played the part.*
