“ Our Daddy was the patriarch of our family, and we will miss him so much. He was all we had after our mama passed away, he was a fighter and he fought a long hard seven year battle, but he's at peace now and he's free from the pain, so Daddy you rest now spread your wings and fly to your new home in heaven, I know mama, Annie, Thurman, and Godfrey waiting for you at the pearly gates with open arms. I miss not seeing you every day, my heart is broken but, knowing you are free now from this world and you are with the Lord the healing can begin, I love you Daddy, 🙏❤️ and your memory will forever stay in my heart. We'll see each other again one day. I'll always love you. ❤️
Love Priscilla Taylor, your daughter.

“ The memories of uncle George. He was loving and caring. I remember when he was living down the road from my mom. He was always there to watch me when my mom would drop me off as she went to work every morning. So, I would catch the school bus. He always say when he see me. You look just like your daddy "Raleigh Boy". He will be truly be missed. Everytime I would talk to mama. I always asked how he is Uncle George doing. There was not one time I would ask how he would doing. I remember talking with Uncle George in the hospital when I called. I asked him. Uncle George do he know who is he talking to. He said, yeah this is Pookie. I told him I love him and take care,after our conversation. I will always love you Uncle George ❤️
