“ We knew him as Hand Jive!!!! I was a little girl and thought he was a giant with the biggest hands. He was a gentle giant and loving friend to my family. Always had you laughing about something. No matter where he saw us I could always get a hug and a big hand shake. Since condolences 🌸 to the family during this difficult time. Your work down here is done Jive now walk the streets pave with gold. Fly high my friend, fly.

“ *Kookie.. I truly will miss you. 😭 you taught me and my brothers how to play chess. You always had a funny story to tell, and you were one of daddy's closest friends. I would always brag on my cousin with the big hands and feet😂.. nobody could rock those cut off shorts, tall socks and converse quite like you..*
