“ I worked with him the summer after I finish high school in 1980. There are 1000 funny stories that come to mind whenever I think of Kenny Hall. I must have driven down a little California over the years five or six times trying to find his home but I never could.

“ So sorry for your loss. KP was an awesome person. We shared many great talks and laughs. The last time I saw him, we sat on my porch talking for a long time. He loved family. Every time he'd greet me with "how you doing cuz"? He was the same every time you saw him. Love you cuz. RIP!
