*Sorry this is late, I am saddened, I just found out yesterday (Tuesday), I had not heard my friend had passed. Condolences to her family. I loved her and I'm so sorry I didn't know. I will always remember how sweet she was and I loved talking to her. Rest In Peace Verniece as I so fondly called her.*

“ *Cousin Verniece was a very sweet person. She always showed so much love for me and my children. She crocheted my daughter Andrey a beautiful peach and white blanket when she was born. I still have it. She will be missed. May God continue to bless your family .*

“ *Mrs. Bond or Niece, was a very kind and loving person. She also had a great sense of humor. I am fortunate to have a throw that she made for me when I graduated from college. It has a tag that says it was made by her. I can remember when she was honored at church it was said that she was like Dorcas in the Bible; because, she was a generous person who sewed for others. Whenever my mom saw her she greeted her by saying "Hey Pretty Girl". They would laugh every time they saw each other after church. She will be missed. May God Be Pleased With a Life Well Lived.*
