“Missing you is an understatement. I can hear your voice saying “I’m good C, don’t worry about me”. Thank you for being the best papa any youngin could ever dream of. You made me feel like I could accomplish anything and every time I did, you were right there cheering me on. If I had you back for one day we would do all of the things we enjoyed doing together in your golden years. But I’m at peace knowing that you’re safe and surrounded by love. I love you Papa.
