“ *First I'd like to send my condolences to Ms. Hattie, Amanda, Lisa, and my dear husband Allen. I pray that God provides you strength and understanding as you continue with life without your husband and father. The happiest memories I have of Mr. Ronald, is when he and I would talk about his love for UNC Tarheels and my love for the Duke Blue devils, and when he was present at your family reunions. One thing I know is that he loved his family. Especially his grandchildren. Not just the children that Allen and I have, but ALL his grandkids. He will truly be missed by Ashton, Collin, and Sarah. They always would say "Can we go see papa". I love you all. Stay strong as a family. RIP.....Mr. Ronald.*
