“ *Sending my condolences to you Linda and the family. Our childhood was spent running back and forth from your house to mine. Your Mom was an excellent cook and seamstress. She was very true to herself and treated everyone the same. I know she will be missed.*

*Linda, I send my deepest sympathy. I remember her visits to see my mom when I was a child. They always had a nice visit laughing and talking, and we as children would play until dusk out in the yard.*

“ *One day as I pulled into the driveway for a visit, Linda was leaving for work, we greeted each other. I had seen Linda on other occasions and she always said to me, "Mama, said come and see her". This day my wife and I were on a visitation mission to see old friends. As soon as Sally Mary saw us it was non- stop conversation- we lost track of time. Having not seen each other for 50 years, she wanted to know all about me and my time away from Gates County. I thanked her for all of the wonderful times we as children in the community, enjoyed at her house, she giggled and began to tell of the stories that James and Linda would share with her about those visits.*

*As we prepared to leave, we said our " I love you's " and promised to come again soon.*

*Tell James ( Jabbo ) and Mr. John Hite, I said hello.*
