

## Sandra Ann Evans

April 15, 1959 - May 31, 2021

Sandra Ann Evans, 62, of Ahoskie, died Monday, May 31, 2021, at her home. After living at numerous locations she and her mother, Loretta Smith Evans, settled in Ahoskie forty years ago. She was a loving daughter helping care for her mother through many serious health conditions.

She loved all animals, but especially cats. She owned and took care of many cats over the years.

She was a loyal friend and always had compassion for those needing help.

Sandra loved learning and was full of facts about many different topics.

She was talented with a crochet hook and yarn and could crochet anything she wanted even without a pattern. All her Christmas gifts were crocheted with love and skill.

Her faith was strong and she always found comfort in believing she would be reunited with her Mom in heaven one day.

Funeral services will be graveside Monday, June 7, 2021, at 11:00 a.m. at Highland Memorial Gardens with the Reverend Jason Villegas officiating. Hertford County Undertakers is handling the arrangements.

“ *Sandra was a wonderful, kind and caring soul. She loved her fur babies and took care of all God's creatures. She is now one of God's Angels!*

“ Sandra is a "family friend" with no familial connection because of her kindness and compassion. My mom was always visiting with Sandra and they had a great connection. Through that relationship my son loved to know what Sandra was up to. He always made sure to include her with our holiday mailings.  
With heartfelt condolences, The Eibls

“ Sandra had such a love for cats especially those abandoned. She took in 3 kittens that had lost their mother and fed them with an eye dropper. They were Buddy, Tinker and Scooter. They all lived to be 18 or 19 years old.  
Later she adopted Lily, Josie and Tony. All were loved and taken care of.  
She was a special friend and I will miss her.

Sandra was a kind and sweet person. She was such a good friend to my friend, Charlene Eason. We visited only one afternoon, but corresponded for several years. She had faith in God. She loved her cats and took such good care of them.

I have just found out about Sandra's passing & so sorry to hear this. As others have said, she loved cats & put their needs before her own. One wouldn't know her vision was limited from all the beautiful things she crocheted. I have several of her handmade Christmas ornaments which go on the tree each year. So sorry for your loss.
