“ First, we (Our Family) always called him Parker! I met him when I was a teenager and he was courting my cousin Beverly. The whole family loved him because he was kind, gentle, thoughtful and basically an all-around good guy. Through the years whenever we had contact Parker and I always bonded. He will be truly missed as he was one of a kind. My sincere condolences to his family.

“ I will always cherish the times when Sirlester (aka Parker) would drive down from Connecticut my cousin Beverly and the children to New York to visit during Christmas time either before or after the visit to the tree in Rockefeller Center. May he rest in peace. 🙏
