“ With deepest sympathy. May your family find peace in this time of sorrow. Charles, today might be one of the most challenging days you'll ever face. Throughout your life, you've been an exceptional son to your mother. Now, it's time to place your trust in God and allow Him to guide you through this difficult period. Rest assured, your mother was immensely proud of you. How do I know this? Because I, too, am incredibly proud of you and feel blessed to have a friend like you.

“ Barbara, Charles and Brenda and family I am  
sending sincere condolences to each of you  
and your family in the transitioning of your  
beloved mother, Miss Thelma, a strong kind  
hardworking sweet woman. I was the only  
classmate she would trust to ride Barbara to the games at the high  
school, always an honor to see and chat with her. RIH 🦋 May each  
of you find peace as you cherish your many memories. Heaven has  
truly gained an angel.
