“ *My deepest condolences to the family. Towani was definitely loved, and she had a laugh that was so contagious. When she was doing home health with my mom, and it was sometimes heard to determine if you were mom's aide or my newborn son at the time. Oh my goodness, Towani loved my son immensely. And I can't forget those mornings when you would ask mom what she wanted for breakfast, and I would be praying "Lord please let momma say she wants potatoes and onions" because I knew you would always leave some in the skillet for me. You'll definitely be missed, but I'll see you in the morning. Rejoice with the Lord.*

“ *Towani I am going to miss you. Back in the day when you were staying in the Murfreesboro Project it was Emma, Jenene, and you we had a good time hanging around each other. It have been a long time since I have seen you. The last time that I saw you was at the Doctor office. Now you have your Wings Fly High until we meet again. Fly High my Friend. Fly High*
