“ *My most heartfelt sympathy to the family of a man I call "friend" Tracey Jerome Clark. I will miss those phone calls when you would say....."listen, listen, let me tell you about my blessing". The excitement in his voice would have you sitting on the edge of your seat. One of our last conversations was how he was so excited about how his children were drawing nearer and dearer to his heart and the love being generated by his siblings. Clark family, you are blessed to have an angel looking over you and protecting you from heaven. I'm so glad he and I had time together. There will never be another friend like Tracey Jerome Clark. Love and prayers to the family.*

“ *My brother, Tracey, I miss you already.*

I look for my phone to ring and hear you say "good morning" in your Jamaican or Chinese voice. I miss you giving me my joke of the day and I miss that laugh even when your joke of the day weren't that good to me. (lol) Sometimes, we would just laugh to hear ourselves laugh. I miss you and will always love you Tracey.
