“ It was a pleasure to be able to call you my, Uncle!! I remember when you came & stayed 3 weeks with me & after the first week, I was ready for you too leave!! Now I would do anything, just to have one more visit from you!! The one thing I loved about you the most, was that you were all about family, you loved your family rather it was near or far.. I can honestly say that you made sure you came to visit.(Pop Up) You will always have a special part in my heart, but I'm so heartbroken. I know that God has special plans for you & needed you the most!! So you make sure to behave yourself now, but most importantly give my, Granddaddy a hug for me!! You two are together, y'all make sure to save me a place in the middle of the both of you...SIP Uncle EggNog 💕🙏🏻🕊️
