“ To the family of Velma Wilson Guster (Ms. Velma, as I called her), you are in our prayers. Velma was a close friend of my family. I met Velma in 1969 and she was always joining in our family's gatherings and outings. She was such a fashionista, full of life and a wonderful person. May the God off all Comfort, comfort you as you celebrate Velma's life. She will always remain in our memories, especially when we make our trips to Chesapeake Beach (smile). Love you all.
