“ To Stanley,  
My memories of you, Willie Anna, Beverly, Duffie and my precious mother Alice will remain in my heart forever. I will never forget the fun times that we had in New York City and how we looked forward to the weekends so that we can gather once more. Times have changed, God claims his angels, but we never lose the love that we shared as family. Hold on to those precious memories, as I will of my sweet Willie Anna and know that we will always be family. Although I am unable to be there with you at this time, please accept the flowers sent from my family and that know that you are in my heart and prayers.
